

**Signal input**

**Right Sound Channel**      **Power**      **Left Sound Channel**

**Specification:**

- Input voltage: DC 10-26V
- Maximum power: 2 \* 50W
- Number of channels: 2 channels
- Ic Chip: TDA7492
- Output impedance: 4-8  $\Omega$
- Size: 70\*57\*21mm
- Protection: overheating protection, overcurrent protection and short circuit protection
